Eugenics, supremacist ideology is the driving force behind just about everything happening today. No accident that mental asylums and punitive forms of institutionalization cropped up around the time the modern eugenics iteration was gaining momentum at the turn of the 20th century. We are experiencing a resurgence.

Staged or real? Either way, it is ritualistic. His daughter was 13. Happened the day after Lebron James surpassed him in scoring.

Predicted in a cartoon two years ago.

The same Masonic cult is on my life and my family's lives.

I had a perp Uber driver presage the future in a doublespeak conversation before moving back to my hometown after getting smoked out of L.A. After I mentioned I was coming back here to get away from the madness and spend some time with my older parents, he said he too had helped out with his parents for four years toward the end of their lives. Made sure to emphasize four years.

That was in October of 2015.

My mom died on Halloween of 2019.

Four years later.

Life and death by the numbers.

These scum deserve a thousand executions for their sadistic, murderous deeds.

They are gutless cowards and evil to the core.

Seeing a lot of talk about bone conduction and its ability to break the RNM technology.

I am all for experimenting with possible solutions to this nightmare but after many decades of controlling the populations covertly with this technology and with near total suppression of its exact nature and evolution, is it really that simple?

I have had this technology on my family generationally. It goes back more than a half century. Maybe less refined variations but still similar.

How many different ways do you think the secret societies, military and intelligence are able to interface with us now? How many different ranges along the EMF spectrum and beyond? We're not taking into account programmable nano and potentially other exotic means.

After all this time and energy that the obsessively controlling NWO has put into this world takeover, I highly doubt that a pair of headphones is going to defeat their technology across the boards.

Worth reminding ourselves that the Illuminati and Masonry always play both sides of the conflict. The externalization of their Luciferian hierarchy is intentional. None of what we are going through is just happening spontaneously.

And these same people own the consumer industry. They already know what Hegelian solutions they're going to push and likely profit from at the expense of their victims.

People have been talking about microwaves for decades as well as radio implants. Why has it taken years of heavy, daily targeting of hundreds of thousands of people before a potential albeit partial solution emerges?

Why wasn't an effective countermeasure developed back in the 60s or 70s by engineers and scientists after MK-Ultra was exposed?

Could it be that this entire experience going decades back is a tightly controlled, scripted, and programmed intelligence operation?

I am interested to see a more technical explanation as to how this is possible along with provable results. From my experience, these remote handlers are highly adept at getting victims to generate false conclusions about things. They can temporarily switch the tech off and get us to believe what we did worked. They have attempted this with me many times.

Any claims and testimony should be verified in every way possible. That way the potential for misinformation and unnecessary cost to victims is dramatically reduced.

I have been overtly harassed, surveilled, persecuted, slandered, terrorized, and criminally profiled by informants, law enforcement, intel, and military in four different states around the clock for the last five years.

Firefighters, paramedics, federal employees, local businesses, national businesses, international businesses, citizen police, thugs, gangs, mafia, Masons, Army, Airforce, Navy, Marines...they all participate.

I have enough proof and evidence to put a small town behind bars but the question is how, when our lives are contained and shut down, and the communistic government doing it to us owns and operates everything and everyone that should be helping in these kinds of situations.

I have yet to speak with anyone in the last five years that has put forward a specific, effective, proven formula.

Not one state-sponsored, traitorous criminal has been prosecuted since this began.

I continue to see controlled opposition stringing people along with big promises and nothing delivered or real victims struggling to fight back but getting ringfenced and sabotaged at every turn.

What is it going to take to break this wide open and tear the program apart?

Is it possible in this bankrupted, duplicitous country?

Five hundred billion dollars, half of which comes from individual income taxation, awarded to private corporations, the top five all military-based and central to this Orwellian NWO nightmare.

Number one is Lockheed Martin with almost fifty billion in yearly contracts.

This is a mafia racket of the highest order, paid for by the US population.

Governments are some of the most profitable businesses for the Cabal because they own and operate Earth Inc.

Governments were never for the people. They were for profit.

They steal money from the citizenry and call it income tax, then throw it at private military contractors, who turn around and target the civilians who fill their pockets with cash and their factories with weaponry.

Coronavirus is a gateway to worldwide State of Emergency, very similar to Martial Law. Purely manufactured for this purpose. Italy is a prime example of what they intend to do everywhere. This could be a practice run, like Jade Helm. They have many options for achieving this level of control.

Fear is always the primary catalyst.

They are liars, criminals, and traitors.

Trailer for Netflix Docuseries "Pandemic"

<https://www.youtube.com/watch?v=fPs90HZbSVQ>

Propagandized, agenda-driven documentary instilling fear in order to move people toward worldwide mandatory vaccinations.

They have followed the same formula for centuries. These "events" are always precisely scripted long before they occur.

This is how devious people push self-serving agenda.

With television and the internet, it is a constant fear-based feed.

The same fear and trauma-based psychology used on individual targets is used on the masses through the media.

The technology that interfaces with our brains also uses the same conditioning techniques. They are moving from media-based propaganda to neural-based propaganda.

Uncontrollable individuals, creative, independent-thinking minds, minds resistant to cultural conditioning and groupthink are anathema to this hive-minded, communistic, State-based ideology.

Fake terrorist watch list. Fake Coronavirus watch list. Manufactured wars on both. What's the difference? Both are Draconian rights-strippers created out of thin air. Looking for ways to target any and every man, woman, and child that doesn't cooperate with their totalitarian scumbaggery. Cowardly snakes who never own up to their true motives.

Coronavirus Psyop is a worldwide isolation campaign with wider reach than War on Terror targeting. Fear and isolation make world takeover easier. People historically give up rights when they and their families feel threatened.

The Mafia overlords know this.

Neither Trump, nor anyone else in our government is on our side. It's one big Controlled Opposition circus act. Watch as they invoke Martial Law and pretend they are doing it "for the people." They are all liars, traitors to the Constitution and individual freedom.

Communism versus Nationalism (aka Nazism) is the same dialectic used in WW2. How dumbed down are we?

America is covertly communist already. They will pretend to fight it with patriotism, which is another name for nationalism, which is another name for Nazism.

Wal-Mart is anagram for Mart(ial) Law.

Target and Wal-Mart are big time perp hubs that may be used as "detention facilities" in the final moves.

Survival skills and self-reliance are good pursuits at this point. Manufactured chaos moving toward apex.

Hegelian Dialectic.

The power has gone out again. This is a retaliatory but deniable tactic. It has happened over fifteen times in the last four years at well-timed moments. It also happened in Los Angeles right after the targeting went overt. The power had never before gone out in that residence and I had lived there for almost eighteen years.

There is no such thing as coincidence in my (and many others') targeting. Matrix levels of draconian control.

It is also predictive. Outages and shortages (power, water, food, internet, money) on top of the manufactured "outbreak" could be the primary strategy for worldwide hysteria, lockdown and emerging totalitarian rule.

Corporations and governments playing benevolent Hegelian Dialectic hero when in truth they create problems to foster dependency, which moves them closer to absolute takeover of humankind.

Liars, cheaters, scammers, thieves, and snakes.

This is the Satanic State as God.

March 19, 2020

Power never came back fully and now no electricity going to water pump (this is a well out of city limits), oven, or stove. The rest is dimmed. Power company says not their fault. Perp employee from Swepeco Utility came out, banged on door like a cop, gave attitude, and signaled all the way through, making sure I knew his Masonic affiliation. Right after I drove around to look for other power issues (ended up being only our place, implying direct and singular focus), sheriff drives by in timed manner at end of street.

Now no water for over a day. Will likely be at least three when all is said and done. Maybe more. And during water limitations due to coronavirus induced hysteria.

These experiences are coordinated. Any real target and victim of this bullshit knows this. Same crazy-making formula repeated hundreds of times over the years. Third world, totalitarian, deniable and cowardly retaliation.

March 21, 2020

1650s, "a crown," from Latin corona "a crown, a garland," in ancient Rome especially "a crown or garland bestowed for distinguished military service," from suffixed form of PIE root sker- (2) "to turn, bend."

All of the "symptoms" of alleged Coronavirus I have received via neural, directed energy weaponry, and other premeditated means on multiple occasions in the last five years.

These were telegraphed assaults, made clear to me by those behind the program.

Synthetic, mass manufacturing of illness and disease is a main objective.

They want to be able to murder people with technology and blame it on a propagandized epidemic or manufactured event.

This could be a trial run, the first wave of End Times programming, and a precursor to worldwide cataclysm.

March 23, 2020

Rights-stripping, money-scamming, Fear-mongering Corona Con Job.

The formula never changes.

Governments stage events to traumatize and terrorize society into giving up even the most basic of rights in exchange for "protection."

The Coronavirus debacle, like 9-11 and all other manufactured events before it, proves to them yet again how easy it is.

A manufactured epidemic like this is particularly attractive because it gives the governments and corporations a chance to play worldwide hero and savior while micromanaging the outcome and redirecting mass attention away from their diabolical ulterior motives.

This is the dialectic. And it's deceptive. Left, right, center, doesn't matter. There is no "good" side. All about manipulation of reality to fulfill hidden agenda.

I was being recruited by this power (while being abused and tortured) and now being shut down and contained by same power because I wouldn't "cooperate" and "tow the line."

They are the ones controlling the "opposition" and playing the dialectic in the targeting circles. They promote the Kabbalistic New Age duality and religion but wear many disguises.

Good cop, bad cop routine connects to Masonic black and white duality, left and right hand path programming. Left and right politics operates using the same core ideology.

Which is why nothing ever gets done save the covert agenda that both sides are working toward.

They are ALL on the same team.

(<https://www.wikihow.com/Start-Your-Own-Country>.)

"The Principality of Sealand. Sealand, initially created as a military base in the North Sea, off the coast of England during World War II, is a football-field-sized structure that housed troops and weapons to strike at German invaders. After the war it was abandoned until 1966, when a rogue DJ named Roy Bates—tired of battling the British government over his pirate radio station—moved there to set up shop. The station never went back on the air, but he declared the floating fortress the Principality of Sealand. He raised the flag, named himself Prince, and his wife Princess Joan. Sealand withstood court challenges, and remains an independent nation to this day."

Excerpt:

"A nanoscopic Indycar is a nice demo, but Torgersen says the real applications of being able to quickly fabricate high-precision nanoscale objects lies in biomedical engineering—for instance, creating scaffolds upon which to grow human tissue in the lab. "Depending on the geometry of the scaffold and the type of cell, custom biological tissue can be made," he says.

When I say I have experienced micromanaged and remotely controlled behavior of anything with a pulse, including insects, I am not exaggerating.

Excerpt:

"The program is called Hybrid Insect Micro-Electro-Mechanical Systems, or HI-MEMS. In it, the arguably over-caffeinated DARPA boffins aim to construct a tiny lepidopterine infiltration borg by growing a living moth around a "micro-mechanical system".

Have they done this to us as humans. Have they grown human cyborgs from infancy around a "micro-mechanical system."

Would explain a lot...

A perp claimed his wife had diabetes when I caught up to him in a CVS parking lot, but when he blazed by me 10 minutes before, he was right next to a CVS. Why didn't he stop there?

This is an example of a deniable, prepackaged excuse to avoid incrimination. They throw out innuendo all the time that I have Type 2 Diabetes (or that they can give it to me with tech), so this is a verbal anchor and a mirroring reinforcement technique to let me know for sure he is involved.

Every single field and industry in this fascistic, Masonic world is involved in world stage lies and propaganda, including the Health Industry.

Compartmentalized to protect the deception.

No questions asked, just following orders, groupthink culture. The obedient get rewarded and promoted. The disobedient get booted and targeted.

The Mob rules and doctors, nurses, and all hospital staff takes part.

Is the 1200 dollar check a practice run for Universal Basic Income? Are they looking for ways to move people out of the workforce and prime society for a hybridized, Communistic, Welfare State?

They no doubt want everyone broke and dependent, like overgrown children. Dependent means controllable.

They marginalize and traumatize the world, make populations desperate and willing to rely on Big Brother government to fix things.

Then they give everyone a piddling amount of money while we sit at home. Get people habituated to this "way of life," just like targeting.

After people get acclimated and even more desperate, money becomes conditional, used as a bartering tool. Checks arrive in mail as long as we behave like good little boys and girls.

But for those who stand up to it? Who call out the corruption, the lies, the propaganda and crimes?

We get detention, reeducation, or worse, imprisonment, torture, stealth assassination.

Tyrannical governments never admit that what they're doing is wrong and corrupt. Such evil is only fully seen after the fact.

In the last week, I have gotten harassed, terrorized, threatened, tortured, interfaced with, and my environment micromanaged as intensely as the most intense periods.

This is re-traumatization and is a central ingredient of this despicable, insidious program. They do it to try and control the behavior of the victim by reminding them that they can bring back the worst of everything at the flip of a switch.

No doubt that this trauma-based style of retaliation will be rolled out for everyone over time if these criminal lowlives continue to roam free and call the shots.

The low-level hacker perps may use something like this but have some kind of script-kiddy version given to them by Feds or Cops. Then they hack into our phones via Cellular, Wifi or Bluetooth connection, and install. If they have a prefabricated script, they could batch install all the rogue apps at once and compromise the phone's security while giving them the ability to terminal our screens. Encryption and a VPN make this much more difficult.

In Los Angeles during the take-down period, I went through about fifteen phones and every single one was compromised the moment it turned on. That is more sophisticated than installing a spy app. Felt like NSA, CIA, FBI high-level hacking. Still, it's the same idea.

In my case, I think they were replacing the base operating system with a rogue version that had a rooted partition, which I could not change. Made it impossible to cleanly wipe the drive and reinstall new OS. They did this to computers as well. The screen dimmed every time I rebooted, a sign of a rogue OS taking over.

On the computers, seems they replaced the flash ROM on the hard drive. This is impossible to overcome. A place called Equation Group, which is supposedly a group of ex-NSA types, first achieved this several years ago.

These idiots think that if they collectively box you in, flank you, lead you, tail you, swarm you, and track your every move as one big, happy Stasi family that it's not stalking or harassment because it's not just one person doing it.

Uh, yeah it is. It's actually terrorism. And you are violating the Constitution. Which makes you treasonous if hired and employed by the State.

All the watch lists in the world don't mean a thing. You are engaging in acts of war and terror against United States citizens.

This is an act of treason.

Do you think it's a coincidence that on the same day:

-- I smell toxins coming out of the vents in my residence as well as the vents in my car, an indication people were on the property and tampering with the ventilation system

-- The water from the shower smells like sewage, an indication that people were on the property and tampering with the water supply

-- I have an outrageous amount of theater, stalking, mobbing, and all-around CointelPro Stasi terrorism while in public

-- Sirens blaring in the distance while at home multiple times during the day

-- The "whistleblower" train blows its whistle multiple times a day

-- Super loud lawnmowers and landscaping equipment throughout the day

-- Caravans of police with flashing lights blazing by me while exercising

-- Military plane flying low and overhead at exact moment I arrive back at my residence

-- Multiple neighbors entering and existing as I leave and arrive and doing theater on the street

- Extreme sleep deprivation and directed energy shocks to heart and head throughout the night and early morning
- Visible microwave burns to face and ears
- Extreme micromanagement and simulation of environment using floating box tactics and roving tech
- Extreme agent and tech-driven psychological operations and synthetic synchronicity
- Directed conversation and psychological warfare throughout the day regardless of who I talk to
- Injected flashes of losing my eyesight while my eyes are being worked on with microwave and neuro weaponry so that the pressure increases and my vision gets blurry.
- Aggressive hacking and internet disruptions throughout the day
- Persistent internal telepathic terror doctrine and chatterbot ritual abuse and threats
- Persistent Brain-to-Computer and Brain-to-Brain interfacing with all aspects of my neurology
- Persistent veiled death threats and death imagery throughout the day.

This is a fraction of what I experience but it all ramps up at the same time. When they dial up the intensity, the thugs that break onto the property and load up the vents with toxins, tamper with food, water, etc are working in concert with the lowlifes in public, the cops, the first responders, and the remote military intel neuro-sadists.

This is full spectrum, highly organized internal and external warfare, persecution, terrorism, abuse, programming and torture of a single, innocent individual waged by a militant, satanic and Masonic cult.

My life is an around the clock, invisible, conditional prison, military and intelligence programming operation, and internal and external battlezone.

I deal with cops acting like terrorists every day, but when they hype up an individual situation and give it this kind of publicity, the people involved are cooperative. They are masonic actors and provocateurs.

Perps are likely being given access to something like this on their phones, which allows for the precise intersections and persistent tracking of anyone who is heavily stalked and mobbed in public.

The question is what are they tracking? GPS tech in us? GPS covertly installed on our cars? GPS on our phones? Covertly installed Lojack? Cellular triangulation? Several of the above or something else?

I have tested this before and, as with everything in targeting, it's meant to be tough to get to the bottom of. Drones can also be used to lock onto us but that seems clunkier when it comes to a live feed into software for a fleet of perps.

In addition, the remote BCI technology can micromanage interactions between all living things on the planet, so there's that. But the daily perp brigade uses their phones to keep tabs on listed targets.

Why not put a small window at the top of the rocket and film the journey live and timestamped from beginning to end. That would tell everyone quickly whether it kept going up or plummeted into the ocean. Every single one of these rockets follows a parabolic trajectory not long after lift-off. Many have been seen coming back down to earth. Camera tricks at work.

They could cover this visually in so many ways and from so many angles to disprove all skepticism but they don't.

All presidents cover up this lie and as do all governments, just like they propagate Sandy Hook lies, 9-11 lies, all mass shooting lies, all terror event lies, ad nauseum, ad infinitum.

Deception is a religion to them. It's how they steer the masses into preconceived agenda. We have all been under this spell since birth. Generational brainwashing and programming going back centuries. Now it's being digitized and made virtual.

I am starting to think that one of the reasons for the Coronavirus debacle was to give paid assets and undercover intel and law enforcement an excuse to wear masks and conceal their identity while committing crimes and acts of terror during these manufactured riots. Like the cop and the Antifa chicks who are vandalizing and then trying to blame it on the black population.

State-funded actors everywhere.

Order out of Chaos model. Fear and Trauma-based psych warfare.

How many times do they have to do this before people see that this is the rule, never the exception?

The formula is predictable.

New Age agents of "change" are pushing forward ideas of saving the world when this torture and enslavement program is growing at an exponential rate.

The "Great Awakening" is a CIA programming operation.

Don't fall for the intel-driven hype.

Front organizations are all over the place. I don't have time to research and investigate everyone fully but the inconsistencies, symbolism, and signaling are enough.

Add to that the fact that many on the world stage -- celebrities, politicians, academics, corporate moguls, and others -- signaled in my direction while I was being hit with super-intense programming and ritual, and it's a no-brainer.

All of these Masonic actors really do start to come out of the woodwork. They swarm and overwhelm the unaware just like gangstalking Stasi perps do to targets.

It's a psych warfare tactic. They are ruthless, snake-like, and parasitic.

No matter what these controlled operatives say, or what part of the dialectical spectrum they settle into, it doesn't mean they are any more credible. They create personas for all demographics and personality types. And they fight each other, getting people on the outside to believe that the battles and division is real. At the top, they all belong to the same club and serve the same masters.

All the heightened rhetoric in the world doesn't change my family being generationally programmed, including my sons, for this very agenda, which I am calling out because it's a criminal operation.

This targeting program already has its talons in people's brains. Worldwide meditation or prayer doesn't stop, change, or undo that. Removing all of these people from power and all the technology from our bodies does.

I don't know if it is even fully possible in such a co-opted planet but it is the only way. Not some Masonic Wag The Dog fakery either. For real.

June 6, 2020

A 14 million dollar paycheck for all involved in this Masonic ritual.

This picture is coded with Satanic blacks and reds and Masonic black and white duality combinations. The doors and walls behind them are white and black. The man and the woman are wearing black and red next to each other. The woman is wearing black with white polka dots. The picture within the picture of George Floyd is of him wearing a black and white stripe shirt. Black and white checkers, squares, diamonds, and stripes are often used. Same color programming has been used on me locally and through intel operatives online since 2015 and covertly throughout my life. It is used on the masses via media. It is ritualistic.

George Floyd's name is a gematria-coded 9-11, which means that event stood for a big agenda-driven turning point, like the Martial Law lockdown phase. Just like the 9-11 twin towers code signified the War on Terror and War on Human Rights phase. (9-11 by the way was a multi-billion dollar insurance scam as well. Always follow the money).

9-11 is also 99 which is an inverted Satanic 66.

Same formula is used for all of these. They stage the event, then loop it on the news to drive up mass sentiment and anger and to condition our perception. Then they start up GoFundMe pages and collect monstrous amounts of money while appealing to the emotions of good, unwitting citizens. It is a con job, and a clever but wicked psychological trick, because it gives them fuel to portray as heartless anyone who questions things and now with a brainwashed and outraged mob to back them up.

I am not heartless. I am a victim of this evil.

Go back and look at all the "tragic deaths" in the last few decades while pushing War on Terror and gun control propaganda. They are pulled from the same recipe book.

When they manufacture these trauma-based events, they move us into states of mind that are more prone to going along with their political agenda. It's mind control for the masses.

Why else do they do it?

They want us divided and confused.

They want us entrained.

They want us scared.

They want to mock us while stealing our money and the ability to fight back.

They want to own us, like a farm animal, a plantation slave, expendable property, that has no say, that always does as its told, never questions authority, and bows down in fear to the satanic criminals who lied, cheated, scammed, stole, and murdered their way to the top of this corrupt world.

Brick backdrop.

The master builders and bricklayers of a staged reality.

I am creating a more formal database of all parties involved in the harassment, slander, terror, and torture campaign of the last several years.

Mind-blowing.

Every restaurant, every business, every government entity, every law enforcement entity, local perps from all walks of life, online perps from all walks of life, in multiple states and internationally have participated to varying degrees in my overt harassment, persecution, terrorism, and torture since 2015.

Are people really grasping the scope of this crime? It goes beyond intel, military or some compartmentalized, gatekeeping definition of targeting and wrongful listing. This is the externalization of the covert, totalitarian, Satanic New World Order power structure. It has unleashed all its brainwashed, programmed minions onto our lives and the world.

This is why everyone is "in on it." Because the fascistic State owns them all, something very few see until something like this happens to your life.

Once targeting goes overt and programming is activated, all experiences have ulterior programming motives attached to them.

They have nothing to do with the experience itself and everything to do with the programming and mission-driven objectives attached to it. Just like the manufactured world stage events, what is on the surface is covering up the real motivations and agenda, which is always manipulative and nefarious.

The reason friends and family act bizarrely and make no sense when you're targeted is because they are no longer just people interacting with you. They are being interfaced with and co-piloted by military intel handlers and trauma-based programmers looking for ways of achieving their objectives. To them, the person is nothing more than a conduit and a tool to be used for this purpose.

This is also the case in targeting circles. You have agents and skills in the field but you also have unwitting victims who are being interfaced with in such a way as to sabotage trust and functionality in relationships. It's tech-driven infiltration and divide and conquer warfare.

This is how governments, military, and NATO circumvent the law and get away with extrajudicial targeting, punishment, torture, and murder.

Mossad is a ringleader. Israel owns the United States and is in the process of turning it into a hybrid of Palestine, China and a sequel to Nazi Germany. They look to enact the Noahide Laws for all the "Non-Jews."

Fanatical Zionist Supremacism is the undercurrent, which covers itself by blaming the chaos on whites, calling anyone who challenges their propaganda Anti-Semitic. Yet another projection. Same tricks that keep working in a such a dumbed down, brainwashed population.

The Masons are their front men, who are all covert Zionists, Kabbalists, Satanists, and Luciferians at the higher degrees.

The Judaic, Luciferian, Illuminati power and the governments they run by proxy are the biggest terrorists on the planet; so they spend all their time and money projecting their criminality onto innocent people to deflect attention away from their monstrous, genocidal crimes against the world.

Current Membership of the Committee of 300

"Three hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves." –Walter Rathenau, 1909, founder of the mammoth German General Electric Corporation

The Committee of 300 is a product of the British East India Company's Council of 300. The East India Company was chartered by the British royal family in 1600. It made vast fortunes in the opium drug trade with China and became the largest company on earth in its time. Today, through many powerful alliances, the Committee of 300 rules the world and is the driving force behind the

criminal agenda to create a "New World Order", under a "Totalitarian Global Government". There is no need to use "they" or "the enemy" except as shorthand. We know who "they", the enemy, is. The Committee of 300 with its "aristocracy", its ownership of the U.S. Federal Reserve banking system, insurance companies, giant corporations, foundations, communications networks, presided over by a hierarchy of conspirators-this is the enemy. Secret societies exist by deception. Each is a hierarchy with an inner circle at the top, who deceives those below with lies, such as claiming a noble agenda; thus, duping them into following a web of compartmentalized complicity. The inner circle of the Committee of 300 is the Order of the Garter, headed by Queen Elizabeth Windsor II. It is interesting to note that the Windsor's changed their name from the Germanic Saxe-Coburg-Gotha during WWI, because of anti-German sentiment.

The enemy is clearly identifiable as the Committee of 300 and its front organizations, such as the Royal Institute for International Affairs (Chatham House), the Club of Rome, NATO, U.N., the Black Nobility, the Tavistock Institute, CFR and all its affiliated organizations, the think tanks and research institutions controlled by Stanford and the Tavistock Institute of Human Relations and last, but certainly not least, the military establishment.

The Committee of 300 is the ultimate secret society made up of an untouchable ruling class, which includes the Queen of the United Kingdom (Elizabeth II), the Queen of the Netherlands, the Queen of Denmark and the royal families of Europe. These aristocrats decided at the death of Queen Victoria, the matriarch of the Venetian Black Guelphs that, in order to gain world-wide control, it would be necessary for its aristocratic members to "go into business" with the non-aristocratic but extremely powerful leaders of corporate business on a global scale, and so the doors to ultimate power were opened to what the Queen of England likes to refer to as "the commoners". Through their illicit banking cartel, they own the stock of the Federal Reserve, which is a private for profit corporation that violates U.S. Constitution and is a root of the problem.

The decadent American families of the unholy partnership, thoroughly corrupted and wallowing in tainted opium money, went on to become what we know today as the Eastern Liberal Establishment. Its members, under the careful guidance and direction of the British Crown, and subsequently, its foreign policy executive arm, the Royal Institute for International Affairs (RIIA), now known as Chatham House, located in England (across St. James's Square from the Astors), ran the United States from top to bottom through their secret upper-level, parallel government, which is tightly meshed with the Committee of 300, the ultimate secret society. That secret, all-powerful government is now more in control of the United States than ever before.

In the Committee of 300, which has a 150-year history, we have some of the most brilliant intellects assembled to form a completely totalitarian, absolutely controlled "new" society only it isn't new, having drawn most of its ideas from the Clubs of Cultus Diabolicus. It strives toward a One World Government rather well described by one of its late members, H. G. Wells, in his work commissioned by the Committee which Wells boldly called: "The Open Conspiracy: Blue Prints for a World Revolution".

Most of the Committee of 300's immense wealth arose out of the opium trade with China and India. Obscene profits went straight into the royal coffers, and into the pockets of the nobility, the oligarchs and plutocrats, and made them billionaires. The ordinary people of China, India, and England profited nothing from "opium revenues". In the same way the people of South Africa, black and white, never profited from the gold mining industry, whose revenues were piped directly into the City of London banks and Merchant banks. The Committee of 300 is responsible for the phony drug wars here in the U.S. These phony drug wars were to get us to give away our constitutional rights. Asset forfeiture is a prime example, where huge assets can be seized without trail and no proof of guilt needed. Also the Committee of 300 long ago decreed that there shall be a smaller-much smaller-and better world, that is, their idea of what constitutes a better world. The myriads of useless eaters consuming scarce natural resources were to be culled by up to 99%. Industrial progress supports population growth. Therefore the command to multiply and subdue the earth found in Genesis had to be subverted. This called for an attack upon Christianity; the slow but sure disintegration of industrial nation states; the destruction of billions of people, referred to by the Committee of 300 as "surplus population," and the removal of any leader who dared to stand in the way of the Committee's global planning to reach the foregoing objectives. Not that the U.S. government didn't know, but as it was part of the conspiracy, it helped to keep the lid on information rather than let the truth be known. Queen, Elizabeth II, is the head of the Committee of 300. The Committee of 300 looks to social convulsions on a global scale, followed by depressions, as a softening-up technique for bigger things to come, as its principal method of creating masses of people all over the world who will become its "welfare" recipients of the future.

The current criminal agenda of the Committee of 300 is further evidenced by recently leaked Club of Rome documents, as they describe how they will use drugs to help stifle resistance to their New World Order scheme: "...having been failed by Christianity, and with unemployment rife on every hand, those who have been without jobs for five years or more, will turn away from the church and seek solace in drugs. By then, full control of the drug trade must be completed in order that the government of all

countries who are under our jurisdiction have a monopoly in place which we will control by controlling supplies reaching the market... Drug bars will take care of the unruly and the discontented. Would-be revolutionaries will be turned into harmless addicts with no will of their own..."The crowned cobras of Europe and their Eastern Liberal Establishment families will not tolerate any true war against drugs. The war on drugs, which the Bush administration was allegedly fighting, was for the legalization of all types and classes of drugs. Such drugs are not solely a social aberration, but a full-scale attempt to gain control of the minds of the people of the United States. At present, this is the principal task of the Committee of 300. Nothing has changed in the opium-heroin-cocaine trade. It is still in the hands of the same "upper class" families in Britain and the United States. It is still a fabulously profitable trade where what appear to be big losses through sometimes seizures of drug shipments are actually small interlopers trying to break into the preserves of the drug trade hierarchy, who sit in paneled board rooms in New York, Hong Kong and London over port and cigars and congratulate another success in the eradication of "competitors."

Included in the Committee of 300 membership are the old families of the European Black Nobility, the American Eastern Liberal Establishment (in Freemason hierarchy and the Order of Skull and Bone), the Illuminati, or as it is known by the Committee "MORIAH CONQUERING WIND," the Mumma Group, The National and World Council of Churches, the Circle of Initiates, the Nine Unknown Men, Lucis Trust, Jesuit Liberation Theologists, The Order of the Elders of Zion, the Nasi Princes, International Monetary Fund (IMF), the Bank of International Settlements (BIS), the United Nations (U.N.), the Central, British Quator Coronati, Italian P2 Masonry-especially those in the Vatican hierarchy-the Central Intelligence Agency, Tavistock Institute selected personnel, various members of leading foundations and insurance companies, the Hong Kong and Shanghai Bank, the Milner Group-Round Table, Cini Foundation, German Marshall Fund, Ditchley Foundation, NATO, Club of Rome, Environmentalists, The Order of St. John of Jerusalem, One World Government Church, Socialist International, Black Order, Thule Society, Anenherbe-Rosicrucianists, The Great Superior Ones and literally HUNDREDS of other organizations.

In the case of John F. Kennedy, the assassination was carried out with great attendant publicity and with the utmost brutality to serve as a warning to world leaders not to get out of line. Pope John Paul I was quietly murdered because he was getting close to the Committee of 300 through Freemasons in the Vatican hierarchy. His successor, Pope John Paul II, was publicly humiliated as a warning to cease and desist-which he has done. As we shall see, certain Vatican leaders are today seated on the Committee of 300.

The Committee of 300 appears to base much of its important decisions affecting mankind on the philosophy of Polish aristocrat, Felix Dzerzinski, who regarded mankind as being slightly above the level of cattle. As a close friend of British intelligence agent Sydney Reilly (Reilly was actually Dzerzinski's controller during the Bolshevik Revolution's formative years), he often confided in Reilly during his drinking bouts. Dzerzinski was, of course, the beast who ran the Red Terror apparatus. He once told Reilly, while the two were on a drinking binge, that "Man is of no importance. Look at what happens when you starve him. He begins to eat his dead companions to stay alive. Man is only interested in his own survival. That is all that counts. All the Spinoza stuff is a lot of rubbish."

The roots of the East India Company (chartered by Queen Elizabeth I on December 31, 1600 and dissolved in 1873) sprout from the European Black Nobility. The Black Nobility are the oligarchic families of Venice and Genoa, who in the 12th century held the privileged trading rights (monopolies). The first of three crusades, from 1063 to 1123, established the power of the Venetian Black Nobility and solidified the power of the wealthy ruling class. The Black Nobility aristocracy achieved complete control over Venice in 1171, when the appointment of the doge was transferred to what was known as the Great Council, which consisted of members of the commercial aristocracy, a complete triumph for them. Venice has remained in their hands ever since, but the power and influence of the Venetian Black Nobility extends far beyond its borders, and today, is felt in every corner of the globe. In 1204 the oligarchic family parceled out feudal enclaves to their members, and from this epoch dates the great building-up of power and pressure until the government became a closed corporation of the leading Black Nobility families.

It is important to note that the European Black Nobility is responsible for the insidious entanglements of numerous secret societies, lodges, and organizations, which are backed with high finance and powerful political connections. Such organizations include: Trilateral Commission, Bilderberg Group (German version of CFR), Council on Foreign Relations (CFR), United Nations (founded by CFR), Illuminati order Skull & Bones (inner circle of the CFR), International Monetary Fund (IMF), World Bank, Bank of International Settlement, Club of Rome, Chatham House (formally the Royal Institute of International Affairs – RIIA), Round Table, Tavistock Institute for Human Studies (England's psychological warfare think tank), Associated Press, Reuters (Rothschild owned news monopoly used for brainwashing the masses), and many others, all of which, whether they are dupes or adapts, work in favor of Great Britain's aristocracy and their one world government agenda. Although there is a wide cross-section, all roads lead to the Queen of England. The technique for keeping their illicit scheme secret is compartmentalization. Only the people in the inner circle, who are part of the capstone at the top of the pyramid, know the entire extent of the fraud. Adepts are few and dupes many.

Typically, the dupes are told lies that their involvement is benevolent; thus, they become unwitting accomplices in crime. This is why it is imperative to expose this diabolical ring of power. Illicit secret societies cannot withstand the light of day. Once exposed, the cabal and their minions will fall like a house of cards.

The European Black Nobility earned its title through dirty tricks, so when the population revolted against the monopolies in government, as anywhere else, the leaders of the uprising were quickly seized and brutally hanged. They use secret assassinations, murder, the bankrupting of opposing citizens or companies, kidnapping and rape. All the families listed are connected with the House of Guelph, one of the original Black Nobility families of Venice from which the House of Windsor and thus the present Queen of the United Kingdom, Elizabeth II, descends.

I have satanic, zionazi transsexual, male homosexual and bisexual, and alpha dominatrix female handlers and programmers on my life, my family's lives, my children's lives. Their origins are military, intelligence, secret society, black nobility, and royal bloodline, with particular concentration in the UK, the Middle East (Saudi Arabia, Israel), and the United States. They are a collective of sadistic ritual abusers, pedophiles, sodomite programmers, and psychopathic lunatics. All members of a Kabbalistic and Masonic sex and death cult that looks to hypersexualize, homosexualize, and transexualize all of society. They start young and they have no shame.

The criminals doing this to us, especially male victims, are as often female as they are male.

This virus nonsense is a scapegoat for eugenicists to formalize their draconian models of social control and depopulation that were in place long before this plandemic. Same profiling and targeting formula used in the fake War on Terror.

Constant propaganda and smoke and mirrors, sleight of hand trickery. Non-stop lies and deception.

This is another staged event amid a history of staged events to move their Orwellian New Age, totalitarian dystopia one step closer to realization.

The satanic psychos are looking to normalize this next. The world is run by these people. And this is how they condition society to accept the unacceptable, attempting to evoke sympathy for the predator while casting them in a "natural" light.

They are bringing out in the open what they have always practiced behind closed doors. Sexual abuse and hypersexualization of a child is a part of satanic ritual abuse and trauma-based programming.

Godwin is a coded name. As in "God Wins"

Or Goodwin as in "Good Wins"

This world is coded and names are used to telegraph future outcome.

There are many, which eventually I will break down.

The Masons, Kabbalists, Luciferians, and Satanists, as part of their spellcraft and ritual, reinforce this language through all forms of media, including social.

They use people as gematria-coded vessels for agenda. We are programmable assets to them. Clay to be molded from childhood for their subversive purposes.

Beyond the media is technology, used covertly to program humans from birth without awareness.

A programmed world is an evil world.

Neither Good nor God wins in such a place.

For good to prevail, all deceptions, all lies, all programming, all crimes must be seen in their entirety and undone without exception.

The State as God despises individuals with spine and minds of their own.

Its minions always follow suit and never break rank.

Communism, Fascism, Nazism, any authoritarian, totalitarian system of governance historically employs subversive, psychological tactics to overwhelm, exhaust, slander, discredit, intimidate, demonize, persecute, terrorize, and criminalize all dissenters.

Individuals and critical thinkers are despised as a rule. We ARE the Enemy of the State.

Coronavirus propaganda fits this model. So does the War on Terror. Gun Control. Vaccination. Climate Change.

All the same formula.

These eugenicist tyrants are using nature and nurture, genetics and upbringing, as covers for generational and lifelong tech-driven interfacing and clandestine programming of brains and lives.

They aim to be gods (or satans) on earth and technology has enabled this prospect.

They are now moving toward the externalization of this deranged ideal.

The child sex trafficking narrative is being managed by child sex traffickers.

Understand the depth of this satanic evil.

Kids back to school wearing masks equals indoctrination, brainwashing, and abuse.

August 7, 2020

This gatekeeping narrative is being mainstreamed and spearheaded by the kabbalistic and masonic mafia, who own this material world and all human trafficking and programming operations in it.

Ashton Kutcher is a known Mason and Kabbalist and a Controlled Opposition figurehead. He has been filmed with a cap donning the Masonic emblem and wearing a red Kabbalah bracelet. I have gotten signaling from all of these celebrities, which tells me they are all versed in Monarch Programming.

Many are victims but cooperate and take part in these sick and twisted operations because they are brainwashed, they are programmed, they are blackmailed, they are threatened, they get rewarded for doing so, and they are devoted to the Judeo-Masonic Luciferian New World Order agenda. Very much like generational abuse, the torch is passed on and kept within "the family."

Entertainment industry is an MK-Ultra industry. Media is a persistent MK-Ultra operation.

The world operates like a Monarch Program and this becomes clearer if and when programming gets activated in you and you study it closely.

People who are targeted are in various iterations of Project MK-Ultra and Project Monarch. We all have programming in us. The entire world arguably does. Some with more specificity and agenda than others.

I have hard proof and both direct and indirect connections to many celebrities and high-level people around the world, including institutions like Stanford, the royal family of Saudi Arabia, the royal family of England, among others.

I reject their agenda and continue to expose the deepest levels of their deceptions, which is why they have put me in such an intense physical and neurological floating box of control, accompanied by intense slander, threats, brainwashing, programming, manipulation, terrorism, abuse, and torture, all designed to keep me contained, stressed, confused, and worn down, in hopes that I will eventually give up and give in.

Never.

The targeting experience is a programmed experience. Every single one of us has remote intel and military handlers and programmers assigned to us. Our brains are interfaced with twenty four hours a day, often covertly, and in ways that we may often perceive as our own natural behavior.

The human trafficking and save the children narratives being popularized are pre-programmed distractions from the real truth, which is that the entire world is a highly simulated slave-trading, prison system, a totalitarian hierarchy run by feudalistic eugenicists and sadists.

Human beings around the world are covertly and remotely programmed and being used as vessels and covers for satanic agenda, including the ones you think are real and fighting the good fight.

The most allegedly powerful people in this world are being programmed and maneuvered into positions decided for them at birth. They have no real power, outside of what is given to them. Individuals don't matter to those at the top except as opportunities for sport and pleasure and as fronts for pushing agenda.

The only way to have any chance of affecting real change in this world is to see it fully for what it is.

<https://www.youtube.com/watch?v=HUmfsvegMRo>

August 12, 2020

The corrupt, CIA-saturated, CIA-owned and operated MIT writes up a hit piece on victims of targeting and in the same period of time their IP addresses are attempting to connect to my network, along with Halliburton and many others.

I have Halliburton perps as part of the road squad mafia around me all the time in public, have them on video denying that they are stalking me when confronted and clearly engaging in intimidation theater.

These aren't false positives. There is no reading into anything. All big companies, all major academic institutions are complicit in the NWO agenda and these targeting programs.

That makes them treasonous war criminals.

Just had a snake nearly strike me on a hiking path that I frequent. Looked like a cottonmouth. It lunged and just missed me. Was inches away when I looked down.

All of these incidents are neurologically coordinated. The satanic military and intelligence agencies have weaponized nature and they are able to tap into the brains of anything with a pulse.

Considering the pervasiveness of serpent symbolism for these criminals, any interaction I have with snakes is deliberate and mapped out. I have had many in the last few years since the targeting went overt. This was one of the closest and most dangerous.

This is an hour after being on the road and almost run off of it by several scumbags in monster trucks boxing me in and then trying to force me into an accident, all while interfacing with my brain to create neurological distractions.

The varied tactics of persecution, targeting, harassment, terrorism, torture, and sabotage, both internal and external are all mapped out and coordinated beforehand.

World fully inverted.

Blocking the truth and flagging it as propaganda is the "new normal."

FB's "Goes against community standards" actually means
"Goes against COMMUNISTIC standards." Right, Fakebook?

Is the Mockingbird News a nod to Orwell's "Newspeak"?

===

"Newspeak was the official language ... The purpose of Newspeak was not only to provide a medium of expression for the world-view and mental habits ... but to make all other modes of thought impossible. It was intended that when Newspeak had been adopted once and for all and Oldspeak forgotten, a heretical thought should be literally unthinkable."

Nineteen Eighty-Four, George Orwell.

Quantum Dot bioluminescent "mark" scannable via the enzyme Luciferase?

Could this be any more in your face obvious?

The Kabbal(ah) is a main proponent of the New World Order. This intel-connected power has its hooks deep in the MK-Ultra-ridden entertainment industry. I got signaling from many of these celebrities as part of the programming ritual I was taken through. They are Masonic, Satanic, and Kabbalistic. They believe in transhumanism and Monarch Programming as a means of controlling society, human life, and the future of this world. They start their covert programming and indoctrination young. Trauma-based programming during infancy is not unusual.

Zionazi Communist Totalitarian NWO criminals. Wicked, cowardly snakes looking for any way to criminalize, persecute, marginalize, and ostracize the innocent and anyone who challenges the mainstream narrative.

We have moved from "In the interest of National Security" to "In the interest of Public Health."

Both snakelike, backdoor gateways into an Orwellian, rights-stripping, conditional prison system and snitch culture that spans the planet.

The world is targeted.

Scripted conversation from as I enter a room where the news is on:

"Putin's rival was poisoned. He's in a coma."

I asked who was behind it and get:

"They don't know but they want to get rid of him."

Navalny was a fierce critic of the government. Is it real or just more staged nonsense?

I don't know but other people, including those on the world stage, are used as anchors in these types of agenda-driven Monarch operations. I get anchored in a particular person and then they get talked about in negative, degrading, or threatening ways. It's done in such a way to be internalized as if they are talking about me.

It's a standard tactic in the psych abuse, terror, and torture playbook that is used by the CIA et al. It has been used on me now for five years.

This also comes off of several days in a row of working hard on evidence to prove the targeting around me locally.

I have been poisoned many times since this targeting began, so there's precedent.

The tech and agent-driven psychological warfare of this program never stops. I have been threatened too many times to count. Sometimes they follow through, sometimes they don't. The idea either way is to keep the possibility of it alive in the target's mind.

Judeo-Masonic CIA, FBI, DHS, Mossad cowardly scum terrorists. They belong at the ground floor of hell.

Circa 2010 article. Wal-Mart is a fascistic NWO organization. All big companies are. Wal-Mart is a coded anagram for Mart(ial) Law. They are a main hub for FEMA camps. Many have been closed down and retrofitted into high-security, barbwire-enclosed "facilities."
