### **The United States Government Is Torturing Innocent Civilians In Their Own Homes And Bedrooms**

I am being tortured all night and into the morning. I work on evidence and writing and get brutally tortured for it! What in the actual f\*ck has this country turned into? This is now ten years of this every day and night!

My eyes are being attacked as I write this. They start to burn and water so badly that I cannot look at the screen.

My limbs have been jerked around and shocked every few seconds throughout the night. It is such a dehumanizing and infuriating experience. If I protect myself, they hit another part of my body or they ramp up the power and intensity of the hits.

This is sadistically inflicted trauma and torture. I am worn down from too many years of this. My life has been hijacked, and I will never get these years back.

If these treasonous criminals are not removed and swiftly dealt with, no one will be able to ignore or deny

this in five to ten years. It will be in everyone's face.

They will say it's to stop criminals and terrorists and to "keep America safe." They are liars. They are the criminals and terrorists!

These wretched people have zero moral high ground. They were never legitimate in any way. They are serial torturers and sadists. They are dirty satanists. They are sex and death cult psychos, pedophiles, thieves, rapists and coward killers. Anyone that stands in their way let alone exposes them for what they are and do is immediately labeled a danger to society and an enemy of the state.

They want this country destroyed. This is invisible genocide. A clever and deniable version of the genocide happening in Gaza, brought to you by the same psychopathic lunatics who believe if they bully, torture, threaten, terrorize, propagandize, brainwash, and program the world long enough, then everyone will go along with their deranged schemes and plans.

Is it working?

### **What's Up With My Website Views?**

Several months ago, I noticed that my daily views dropped from an average of a hundred or so viewers to one or sometimes zero. During times when I was not adding posts regularly, I still had a decent number of viewers per day. Were these bot accounts or people sent in to monitor what I was posting? I do not believe people's ability to connect to this domain has been hindered in any way, but I am not sure. This site has also been mentioned on a few activist sites that receive substantial traffic, so it's odd that the numbers have gone down to practically nothing.

I spoke with the web hosting provider, and they assured me that nothing on their end was being used to censor or block traffic.

Considering that everything else in my life is ringfenced, micromanaged, and sabotaged, I guarantee this shift is deliberate. The evidence that I post here, you will not find in many other places if any.

There is a reason they want it to disappear. Because it's all true and it goes all the way to the top.

### **Criminal Mafia Scum Took Over This Country A Long Time Ago**

I continue to be tortured every night often for hours and into the morning.

The lowlife cop, intel, and military scum that are nearby and armed with electromagnetic pulse weaponry follow a sadistic playbook of trauma-based torture protocol and hunt me down like an animal wherever I go. It does not waiver, and it reaches brutal levels when I fight back and publish evidence. This has been the case for ten years.

And not one individual in the United States government or any other government has done a thing! Because they are all corrupt!

All politicians, all agencies, all employees, all businesses, they are all in lockstep with this program. They are all on board with the covert takedown of the free world and all human rights it was meant to defend at all costs.

You think Trump is a savior? You think this newly selected batch of Masonic frauds is going to do a thing? The conditional torture and imprisonment of my life has not skipped a beat since 2015. That is three presidents, including Trump, and not one iota of difference. If you add to this my parents being in this program since birth, that means governments and administrations have been trafficking children into secretive MK-Ultra style trauma-based operations for at least ninety years without a single person doing anything to stop it.

And this isn't compartmentalized and it's not some rogue agency. They all know.

It is criminal and evil to the core.

### **Voice To Skull And Microwave Hearing Articles From The 1970s**

This article admits injecting sound into a person's brain and calls it Voice To Skull, a term that has been discredited in more recent times by the same media that admits it almost fifty years ago.

Voice to Skull technology uses electromagnetic microwave pulses to transmit sound. The sound can be audible or like silent thoughts, which is more accurately termed synthetic telepathy. This technology is far more advanced now. People can be convinced that the transmissions are their own thoughts when there is no detectable volume and the thought seems like one's inner voice.

The capacity to brainwash, condition and ultimately program an individual's personality and behavior without their awareness goes back at least a half century. Its use is pervasive.

## **I Am Being Slowly Tortured To Death**

How wickedly evil is this world that innocent people are being brutally assaulted in their own homes at will and with no end in sight? And it is still being denied and suppressed!

I live in a conditional open-air prison and trauma-based program run by government criminals who relentlessly torture me and threaten me with death for fighting back! This has been going on for nine years! There hasn't been a single day that I haven't been viciously attacked and jolted with taser-like electromagnetic weapons, dehumanized and abused like an animal often for several hours and into the morning! My life has been seriously damaged by these lowlifes!

How are they still allowed to live? Why haven't governments mass-arrested, tried and executed these diabolical scum for treasonous war crimes and extreme torture of innocent civilians? They were made aware of these program decades ago and still not a single criminal arrested!

I'll tell you why. Because they ARE the criminals and criminals don't arrest themselves!

We were at Orwellian levels of totalitarian madness in 2015 when I first got hit full-blast with this insanity and started exposing it. Today it is at an hysterical fever pitch. Israel's genocide of the Palestinians in Gaza has been taking place covertly in the States and around the world for a very long time. It's called the Targeting Program, and it's run by the same psychopathic Jewish and Masonic mafia. Their genocidal world domination objectives are the same.

### **Connections**

This is still mostly brainstorming notes, but since I am getting brutally tortured and unable to sleep, I am uploading this document to fill in more blanks about the Satanic CIA child and sex trafficking operations and MK-Ultra ritual abuse, torture, and murder programs that ripped my life and family apart.

I'll keep re-posting this as I add to it.

## Logical Fallacies

All media and their lackeys are trained in propaganda. They claim everything they present is factual but they are mostly talking heads spewing rhetoric, which demonizes everything that doesn't align with their approved narratives and political agenda.

Logical fallacies are the norm.

## Federal Bureau Of Investigation vs Fikre

There is almost always some kind of symbolism or color-coding with organizations that claim to be real opposition to government tyranny and corruption. Blue and orange are a distinct masonic combination that is used everywhere in Western Culture and online. The CAIR logo is unusual as well.

In any case, this is an interesting Supreme Court ruling.

After I rejected the innuendo of working in some capacity for the agencies that were targeting my life, I was focused on Yonas Fikre's case.

### 2024 0308 Website Attacked

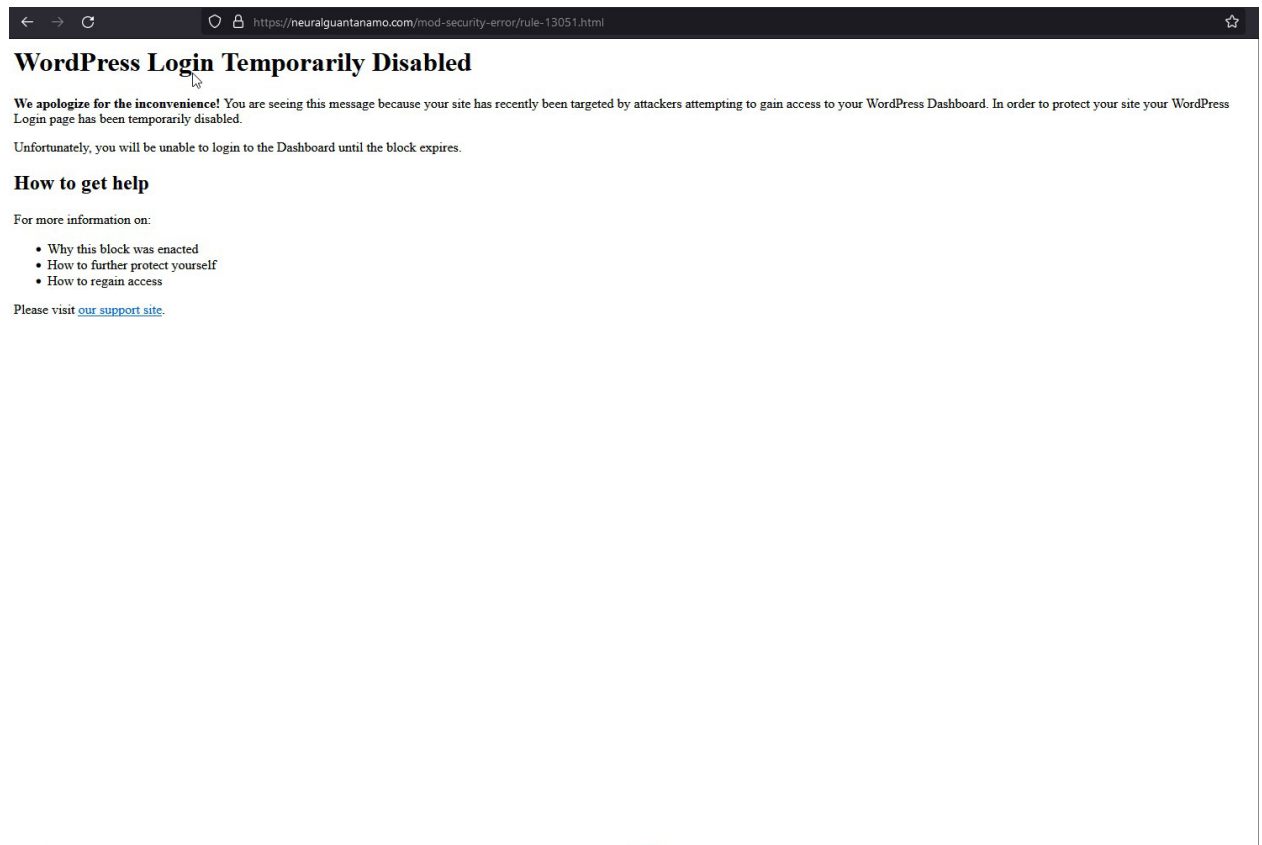

The tech at my hosting company said the site got hit just before I sat down and attempted to log in. This is an indication of real-time monitoring of me in my room coordinated with timed retaliation online. The IP addresses captured during the attack pointed to China, the Netherlands, and Japan. This doesn't say much, because United States intelligence agencies, military, and law enforcement, can make their attacks look like they come from anywhere in the world.

From the email sent to me:

These are the 3 addresses that were logged with attacks I'll include the logs as well:

## 2024 0303 Cops Pull Onto Street And Front

A few minutes after going out to mow the lawn, I had two cops pull onto my street at a fairly aggressive speed, one right after the other. One did a U-turn directly in front of my residence. The other followed seconds later.

They parked in the center of the street to the right of the property and sat in the road apparently talking from their vehicles. I walked up and asked them what was up and the African-American female cop kind of brushed me off and said with a knowing smile that everything was okay. I said, "So you're just parking in the middle of our street and talking?" She said yeah and gave me some lame excuse that they had just checked something out in the area.

They stayed there for a few minutes after I walked away, then took off. So they were parked on a street that is not a through street, essentially blocking traffic, just to talk for ten minutes, which just so happened to coincide with me walking outside to mow the lawn and just so happened to be right next to where I live?

They were obviously lying and engaging in their usual tactics of covert aggression and threat. This is the first time ever that I have had two police vehicles sit on the street just to the side of my residence. It is highly incriminating, considering the evidence that I possess. This property is outside of the city limits, so in truth, it is outside of the jurisdiction of city police, which is what they were.

This is more direct proof of the criminal and unconstitutional targeting of my life by law enforcement. This country is overrun by totalitarian mafia thugs and Freemasons who wear badges and claim to be upholding the law and protecting and serving the citizenry, when in truth they are relentlessly terrorizing and profiling with impunity innocent civilians.

## Declaration of Independence

**In Congress, July 4, 1776**

The unanimous Declaration of the thirteen united States of America, When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary power

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harrass our people, and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures. He

has affected to render the Military independent of and superior to the Civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For Quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us. He

has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers,

the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our Brittish brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

### **The Grand-Uncle of the Co-Founder of Netflix on Propaganda**

The great uncle of one of the founders of Netflix, Marc Randolph, is Edward Bernays, considered by many to be the father of modern propaganda.

Randolph equals Apple. Bernay equals Tree

Notice as well his use of the phrase “Order Out Of Chaos.”

—

<https://www.cabaltimes.com/2019/06/02/netflix/>

Bernays (1928):

“Intelligent men must realize that propaganda is the modern instrument by which they can fight for productive ends and help to bring order out of chaos...Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. ...We are governed, our minds are molded, our tastes formed, our ideas suggested, largely by men we have never heard of. This is a logical result of the way in which our democratic society is organized. Vast numbers of human beings must cooperate in this manner if they are to live together as a smoothly functioning society. ...In almost every act of our daily lives, whether in the sphere of politics or business, in our social conduct or our ethical thinking, we are dominated by the relatively small number of persons...who understand the mental processes and social patterns of the masses. It is they who pull the wires which control the public mind.”

### Kabbalah Strings

The Kabbal(ah) is a main proponent of the New World Order. This intel-connected power has its hooks deep in the MK-Ultra-ridden entertainment industry. I got signaling from many of these celebrities as part of the programming ritual I was taken through.

They are Masonic and Satanic. They believe in transhumanism and Monarch Programming as a means of controlling the trajectory of society, human life, and the future of this world. They start their covert programming and indoctrination young. Trauma-based programming during infancy is not unusual.

### Human and Child Trafficking Gatekeeping Psyop

This narrative is being mainstreamed and spearheaded by the Kabbalistic and Masonic mafia, who own this material world and all human trafficking operations in it.

Ashton Kutcher is a known Mason and a Controlled Opposition figurehead. He has been filmed with a cap donning the Masonic emblem. I have gotten signaling from all of these celebrities, which tells me they are all versed in Monarch Programming.

Many are victims but cooperate and take part in these sick and twisted operations because they are brainwashed, they are programmed, they are blackmailed, they are threatened, they get rewarded for doing so, and they are devoted to the Luciferian New World Order agenda. Very much like generational abuse, the torch is passed on and kept within "the family."

Entertainment industry is an MK-Ultra industry. Media is a persistent MK-Ultra operation.

The world operates like a Monarch Program and this becomes clearer if and when programming gets activated in you and you study it closely.

People who are targeted are in various iterations of Project Monarch. We all have programming in us. The entire world arguably does. Some with more specificity and agenda than others.

I have hard proof and both direct and indirect connections to many celebrities and high-level people around the world, including institutions like Stanford, the royal family of Saudi Arabia, the royal family of England, among others.

I reject their agenda and continue to expose the deepest levels of their deceptions, which is why they have put me in such an intense physical and neurological floating box of control, accompanied by intense slander, threats, brainwashing, programming, manipulation, terrorism, abuse, and torture, all designed to keep me contained,

stressed, confused, and worn down, in hopes that I will eventually give up and give in.

Never.

The targeting experience is a programmed experience. Every single one of us has remote intel and military handlers and programmers assigned to us. Our brains are interfaced with twenty four hours a day, often covertly, and in ways that we may often perceive as our own natural behavior.

The human trafficking and save the children narratives being popularized are pre-programmed distractions from the real truth, which is that the entire world is a highly simulated slave-trading, prison system, a totalitarian hierarchy run by feudalistic eugenicists and sadists. Human beings around the world are covertly and remotely programmed and being used as vessels and covers for satanic agenda, including the ones you think are real and fighting the good fight.

The most allegedly powerful people in this world are being programmed and trafficked into positions decided for them at birth. They have no real power, outside of what is given to them. Individuals don't matter to those at the top except as opportunities for sport and pleasure and as fronts for pushing agenda.

The only way to have any chance of affecting real change in this world is to see it fully for what it is.

### **Depravity Incorporated**

The world is run by satanists, masons, luciferians, pedophiles, militant gay and transexual sodomite programmers.

The media is filled with their symbology to reinforce their sex and death cult obsessions. Their focus on children is particularly disturbing. These maniacs start young and are predatory.

The State as owner of all things, including children, is directly aligned with and connected to this ideology and the people behind it.

In their totalitarian, eugenicist, dystopian, inverted New World Order ideal, parents no longer exist in the natural sense. Babies will be designed and created in laboratory environments and the population strictly limited by those in power. Raising children in their minds to be loyal and obedient to the enslaved collective is the duty and right of the community and the State.

Adults will be able to have sex with children of all ages. Animals too. They look to normalize absolutely everything. Do What Thou Wilt is their motto. The cruder, dirtier, more depraved, morally bankrupt, the better.

These are the same people, by the way who are pushing the normalization of aborting babies all through the 9th month of pregnancy. Abortion is a cover for satanic ritual sacrifice and the harvesting of blood and trafficking of organs.

These truths are viciously suppressed for obvious reasons. They have to protect themselves and their masters. The media is their weapon for silencing dissension and discrediting those who try hard to tell the truth.

They have cornered the world.

And these very same people infiltrated my family and invaded my life at birth.

I get aggressively threatened and tortured because I expose the fine details of what they have done to me and my children and the fraudulent agenda they were connecting to me, the same one they are perpetrating throughout the world.

## Celebrity Anchors

The Masons and Illuminati turn certain people into celebrities to then anchor us in their rhetoric and manipulate us toward their agenda-driven objectives.

This is why they make celebrities out of everyone: scientists, businessmen, religious figures, politicians, doctors, life coaches, engineers, thieves, killers, lawyers, athletes, singers, actors, directors, producers, writers, chefs, moms, dads, families, ad infinitum.

They make sure they have a representative for everyone within the population. That's the nature of anchoring and programming. They create models for us, then spread those models constantly throughout the media, and use them to manage perception and control the trajectory of society, especially the youth. It's a form of conditioning and population control.

The most celebrated rarely get there because that person achieved that status all on their own but rather because they were chosen most likely at birth or not long after and then programmed to fulfill a particular role. That along with how well they do what they are told. Those most talented at selling agenda and without any moral compass whatsoever tend to get the most publicity and push.

They may or may not have awareness until they get older and are moved into the limelight and onto the world stage.

## Quotes from Psychiatrists about The Fraudulence of Mental Illness

“There’s no biological imbalance. When people come to me and they say, ‘I have a biochemical imbalance,’ I say, ‘Show me your lab tests.’ There are no lab tests. So what’s the biochemical imbalance?” —Dr. Ron Leifer, psychiatrist

“All psychiatrists have in common that when they are caught on camera or on microphone, they cower and admit that there are no such things as chemical imbalances/diseases, or examinations or tests for them. What they do in practice, lying in every instance, abrogating [revoking] the informed consent right of every patient and poisoning them in the name of ‘treatment’ is nothing short of criminal.” —Dr. Fred Baughman Jr., Pediatric Neurologist

“Psychiatry makes unproven claims that depression, bipolar illness, anxiety, alcoholism and a host of other disorders are in fact primarily biologic and probably genetic in origin...This kind of faith in science and progress is staggering, not to mention naïve and perhaps delusional.” —Dr. David Kaiser, psychiatrist

While “there has been no shortage of alleged biochemical explanations for psychiatric conditions...not one has been proven. Quite the contrary. In every instance where such an imbalance was thought to have been found, it was later proven false.” —Dr. Joseph Glenmullen, Harvard Medical School psychiatrist

“The theories are held on to not only because there is nothing else to take their place, but also because they are useful in promoting drug treatment.” —Dr. Elliott Valenstein Ph.D., author of *Blaming the Brain*

“There is no blood or other biological test to ascertain the presence or absence of a mental illness, as there is for most bodily diseases. If such a test were developed...then the condition would cease to be a mental illness and would be classified, instead, as a symptom of a bodily disease.” —Dr. Thomas Szasz, Professor Emeritus of Psychiatry, New York University Medical School, Syracuse

“I believe, until the public and psychiatry itself see that DSM labels are not only useless as medical ‘diagnoses’ but also have the potential to do great harm—particularly when they are used as means to deny individual freedoms, or as weapons by psychiatrists acting as hired guns for the legal system.” —Dr. Sydney Walker III, psychiatrist

“No biochemical, neurological, or genetic markers have been found for Attention Deficit Disorder, Oppositional Defiant Disorder, Depression, Schizophrenia, anxiety, compulsive alcohol and drug abuse, overeating, gambling or any other so-called mental illness, disease, or disorder.” —Bruce Levine, Ph.D., psychologist and author of *Commonsense Rebellion*

“Unlike medical diagnoses that convey a probable cause, appropriate treatment and likely prognosis, the disorders listed in DSM-IV are terms arrived at through peer consensus.” —Tana Dineen Ph.D., Canadian psychologist

## Summary of My Experience and Perspective

A breakdown of my experience and understanding of it excerpted from a 2018 old email thread that included some highly visible people within the targeted activist circles:

I’ve experienced extremely advanced scripting of behavior and long-form programming of outcomes. My life reads

like a carefully crafted film. They are without doubt scripting lives from birth, making and breaking people with tech that roots itself in Trauma-Based Satanic Ritual Abuse and Psych Warfare methods. Hive-minding synchronicity on a global scale, reinforced by an army of Illuminati, military intel and intel handlers and psych warfare specialists who take part in the transhumanist Monarch MK-Ultra ground operations. I would say that they are also wittingly or unwittingly programmed, most likely Delta to guarantee militant obedience.

They have put all this programming into me, my family, and my children and have attached major generational agenda to it, which I reject daily because it's deceptive and wrong. DOD, CIA, Illuminati are the main players in my case. All TIs I think are in variations of "Übermensch" and Super Soldier programming. The "Chosen Ones," so to speak, which is also interestingly a term associated with Monarch Programming. It's a eugenicist, master race movement as well as a depop genocide to usher in a Luciferian New Age and put the final nail in the coffin of social control with the mind as the final frontier for enslavement.

They are activating people around the world with all types of programming that goes back to birth. End Times and ET programming are big as they play into Biblical Prophecy and BlueBeam New Age agenda. Serves as a depopulation and One World "Unity" ploy as well. They are eugenicists and controllers who envelop all truths with layers of deception, an ancient and very sophisticated occultic practice, which guarantees their continued dominion.

The technology is way more advanced than just controlling behavior. It maps it out, orchestrates and cultivates belief systems and personality, scripts convergence and simulation of experience, hive minds ideas on a global scale, and manages lives from beginning to end. A tech-driven means of "playing Satan." The idea is to digitize and synthesize all aspects of one's existence, full spectrum internal and external dominance. They have moved from Controlled Opposition to Mind Controlled Opposition as the opposition of choice on the world stage. Anyone who isn't willfully complicit in the Hegelian deceptions will no doubt be manipulated and programmed internally if they oppose what is happening with unwavering integrity.

I have seen this technology control weather, groups of people, every aspect of human behavior, and anything with a pulse. Brain to Computer and Brain to Brain Interfaces are central to my experience. Very disturbing and dehumanizing at times, which is the point. Master/Slave Mengele-style model and approach. My life is coded and scripted generationally with heavy Masonic, Luciferian, and Illuminati overtones and has been connected to major players on the world stage going back to childhood. The future is predictively programmed for me. Everything that is happening now was prefigured decades ago.

This is my experience and understanding. I am sure others will have varying perspectives but this gets reinforced daily for me. I have documented much of it and get tortured and marginalized because of the evidence I have accumulated since this went overt.

## No-Touch Torture Techniques

A lot of this is accurate but my experience differs with some points that are made. Despite this being a very good summary, I question Robert Duncan's ultimate affiliation, as I have seen him in videos dropping various hand signs and other techniques used by intelligence agencies and Masons.

—

By Robert Duncan, A.B., S.M., M.B.A., Ph.D. "Project Soul Catcher":

Summary of no-touch torture techniques:

Numerated Torture Methods for Interrogation

and Behavior Modification

(A comparison between physical and no-touch torture tactics)

### 1. Induction of Depressive/Manic states

The idea is to shake up the emotional states of the target because different information can be accessed at each state. Making the target feel despair and helplessness is the objective. This cycle of hope building and then breaking is done in many ways. The techniques between the physical methods and the no-touch technological methods are similar. Speech is very important during this process of emotional manipulation. Such examples are, "We have imprisoned you without due processes or hope of it. You are indefinitely detained." Hope building examples include, "Sorry. We have mistaken you for someone else. You will be compensated for false imprisonment and torture." The main difference between the cybernetic technology and physical is that emotional state clusters can be entrained into the target mind which speeds up the process. The communication is done differently but perceived as human speech. In the no-touch torture methods it is helpful if the target is labeled with mental illness that is being created for discrediting purposes so as not to draw human rights groups' attention.

### 2. Memory Erasure

The military and CIA have been researching memory erasing drugs for half a century. The focus of this summary report is on interrogation. Memory erasure is an important technique during interrogation. It is used in combination with sleep deprivation. There are many drugs that have been developed for physical memory erasure. One such interrogation method requires acquiring information from the target while on these drugs and recording the

subject. After a sleeping cycle, the interrogator claims that the target has confessed. Of course the target remembers nothing of their conversation. The interrogator will play samples of the subject's conversation back to them making the subject believe that the interrogator knows more than they do. Similar techniques are used in the wireless, no-touch torture and interrogation programs. The cybernetic methods of memory erasure have additional purposes. The memory erasure can be used on the cybernetic target to make the target believe people have broken in and moved their belongings. While physical black bag jobs do occur, it is a way to make the target more paranoid.

### 3. Electricity and Shocks

Pain and fear of death are common tactics during interrogation. Shocking by electricity is a traditional method of torture and exposed in the CIA's secret prisons. Shocking the testicles and nipples are the most common due to their sensitivity. Interestingly, the thousand of interviews of no-touch torture involves "stings" and "shocks" to various parts of their bodies over long durations.

### 4. Fear and Terror

There are many techniques to induce extreme fear in the target. In physical renditions dogs, power drills, guns, insects, mutilation, blow torches, water boarding, suffocation, mock burials, and mock executions are just a few the United States government have used. Remember that many targets of torture die from the physical effects. It is torture to death.

Let us compare the no-touch torture methods used to inflict the same terror and mental anguish. In several of these techniques the target needs to hear their handler's voice. This report does not describe the technologies used to broadcast voices to the target at a distance. While the subject can be broadcast mental images to their mind using hypnosis and other suggestions as well as visual entrainments, the more invasive controls of the brain manipulation technologies can be used to entrained the brain's autonomic nervous systems such as not breathing causing the target to not be able to sleep from fear of suffocation equivalent to water boarding. The neural

linguistic programming can add fears such as heart attack, stroke, and cancer threats. Even motor cortex mapping can cause twitches in any part of the body. One example used a swift neck movement with a voice transmission, "We are trying to break your neck." Directed energy effects such as Active Denial System can make the target feel that they are on fire indefinitely without the target dying from burns. Maximum pain and torture weapons have been evolving. Every drug effect can be artificially induced into the target mind including those of poisons.

## 5. Imprisonment and Isolation

Isolation is commonly used as punishment in prisons. Many whistleblowers like Bradley Manning suffer this condition. In soft interrogation it is used to get the target to talk to their interrogator since humans have the need for companionship. In no-touch torture the target is driven from their friends and family using different techniques in order to isolate them so that the electronic mind control has more effect on their psyche. Like in Guantanamo, the target becomes isolated losing their job and medical care. Part of the method involves slander in their community. They end up on the most part in poverty and paranoid about doctors and other people from false correlations that are purposefully induced into their lives. Isolation is also a form of sensory deprivation which will be discussed later. Days and weeks lose their meaning.

## 6. Sexually Disturbing Tailored Pornography

The Summary of the Senate Torture Report disclosed the disgusting revelations that in the secret torture prisons the targets were forced to perform homosexual acts on each other against their will and religion in order not to be beaten or killed. This is a common break down tactic of belief systems and the human will. In no-touch torture the techniques are more psychologically specialized for each target. Most common examples include homosexual targets that are forced with voices that are derogatory to their lifestyle and similar mental images. Almost all targets are forced to view child pornography in their minds. And vice versa is true, that heterosexual targets are forced to view homosexual sexual acts like in the secret U.S. torture prisons.

## 7. Mutilation

Also mentioned in the declassified report on torture was mutilation of the human. Cutting the naked target's penis and scrotum, pulling nails or teeth is common. In no-touch torture mutilation is done by trickery. Let us look at a couple examples. There have been several targets who believed that the microwave hearing effect and other voice induction methods were done by microchips implanted in their teeth or ears. They had all their teeth pulled because they believed it was a technology called bone conductance. Others have poked out their ear drums in the belief they had micro implants in their ears. There are many more examples of trickery used to make the targets mutilate themselves.

## 8. Personal and Spiritual Defamation

In physical torture the CIA and other groups use propaganda and defamation of character for those they oppose. For detainees they try to disenfranchise the target from their religion. They will defecate on their Bible or Koran for example. They might say, "Why is your God not saving you?" In no touch torture and behavior modification they might try to make an atheist believe in god. It is just a mechanism to alter belief systems for control and experimentation. Perhaps the target may wish to confess their secrets to a "voice of god weapon". Information warfare covers the gamut of electronic communication as well. The government training exercise uses language

like “befriend”, “infiltrate”, “mask/mimic”, “ruse”, “set-up”, “disrupt”, “create cognitive stress”, “use deception”, “ruin business relationships”, and “post negative information on appropriate forums” – in a malicious effort to target bloggers, activists, journalists, social event organizers and anyone else deemed to be a ‘emerging leader’ or voice in the public sphere.

#### 9. Psychological Intimidation

This is a topic for a target at the beginning of the trials and programs. Physical break-ins are common even if the target has an alarm system. The NSA has used stalking of foreign officials in the past for economic gain. The FBI does black bag jobs to invade a home without a warrant. The point is to let the target know they are being watched and to increase their paranoia. The NSA easily hacks all computer systems and causes harm to the victim’s intellectual property and their relationships from that endpoint. In the no touch torture false correlations between pain and a neighbor coming home can be induced.

#### 10. Rape

Rape is a common practice in torture. It causes much psychological trauma. In the United States methods of rape in their military and CIA secret prisons it is often relabeled. It is commonly done by prods but “rectal rehydration” is the more common misnomer. Often they call it forced feeding through the rectum but it is meant to induce psychological scaring and trauma. Several have died from the technique due to rectal bleeding. In no-touch torture the psychological trauma of simulated rape takes on different forms. Using technique often called EEG-heterodyning the targets will receive molestation effects of their genitals. In men this can be the anus and genitals. Similarly women can be wirelessly raped by the analogous function of perception.

#### 11. Dietary Manipulation, Forced Weakness and Sickness

The idea behind dietary manipulation is to weaken the target. This is easily done in a physical setting but in no-touch the hunger trigger needs to be suppressed. Sometimes a false correlation between eating food and sickness is induced to make the target believe they are being poisoned. However, poisoning is common in physical renditions too.

#### 12. Repetition

Verbal breakdown is most important during interrogations and torture. Obviously speaking the language of the target is necessary. This is why there are interrogators in all languages. Repetition is an important neural linguistic programming interrogation tactic to influence the target mind. During the breakdown process, threats to kill and to torture the target’s family or friends are common. Repetitious questioning and breakdown phrases are automated in both the physical and no-touch versions of torture. An interesting technology that is used for no-touch torture is called chatter bots. Chatter bots, an artificial intelligence program, automate much of the repetition so that the interrogators don’t drive themselves crazy during the neural linguistic torture and programming phases. Let us not forget the Chinese Water Torture, a single drop of water on the forehead of the detainee for months. Repetition is a form of torture.

### 13. Sensitization of Pain Impulses

While the reverse can be obtained, optimizing perceived pain and misery is the objective in torture. Each trauma adds to the overall misery throughout life. Optimization of pain has been studied by the military and intelligence agencies. In the past the CIA has used drugs such as LSD to enhance fear and terror in the subject. Other methods such as hypnosis can increase perceived pain and the power of suggestion such as telling the subject his pinky finger is going to be cut off before it is done. In no-touch torture the same psychological manipulations are exerted. Subliminal and overt suggestions are often told to the subject before the directed energy or EEG heterodyning pain inductions in order to maximize their effectiveness.

### 14. Sensory Overload and Deprivation

Again, this technique of overloading or depriving the human of sensory stimulus is ubiquitous in torture around the world not just in U.S. secret prisons. Torture subjects in the United States have reported the use of repetitive bad music and noise campaigns. An unusual torture technique used in the U.S. secret prisons was of a use of a plastic suit filled with ice while they beat the target. Ultra bright lights for days on end in the prison and hot/cold temperature changes in the environment are frequent. In no-touch torture, the target's brain is forced to release dopamine which causes pupil dilatation. This acts as a sensory overload. For example the non-lethal microwave weapons research done by a professor in University of Nevada has shown this capability. Body metabolism can be altered with these weapons causing cold and hot flashes. Targets of no-touch torture often hear endless tinnitus.

### 15. Sexual Humiliation and Lack of Privacy

Often used in common prisons is a lack of privacy. It is both necessity for security and a form of sexual humiliation. Also in prison many people are raped. No-touch torture offers the same sexual humiliation and lack of privacy by using through wall radar, cameras, and EEG visual cloning to let the target know they are being watched. Degrading comments are often used on the no-touch torture subjects while they are naked or in the bathroom.

### 16. Maximum Sensory Pain Techniques

Basic torture involves brutalization, i.e. physical strikes, kicks in the groin, pepper spray or tear gas, etc. Anything that involves maximum pain is the objective. Amazingly, these same basic tortures can be done wirelessly into the human mind. All forms of sickness have been reported without any real illness behind the suffering. All suffering can be entrained into the minds of no-touch torture subjects.

### 17. Sleep Deprivation

This is the number one torture method along with the popularity in the press of water boarding. This is done in every country that uses torture. The United States is number one in torture since they are currently the world's only superpower. A repetitive sleep deprivation cycle is generally done 180 hrs/7.5 days at a time in the physical renditions, or in no-touch torture five days awake and two days of sleep. Sleep deprivation accomplishes the objective of memory loss during interrogation and induces hallucinations which help with the interrogation process. In behavior modification and programming it is necessary too.

## 18. Stress Positions

Keeping detainees handcuffed above their head and to walls so that they must stand for days is a common ploy in torture. These types of poses are called stress positions. They can be mimicked in no-touch torture. An example of one such trick requires the target to believe they can deflect radar energy using pots or pans and that it is directional. The target is being given an ample amount of pain until their hands and arms are spread apart holding the pans trying to block the signals. They must maintain that position in order to get any relief from the torture signals. However the stress position itself is physical torture. Often accompanying this technique are voices saying to the target, "You are doing it to yourself."

===

The ZioNazi, Satanic, Masonic criminal scum that run these programs have turned people's homes and neighborhoods, into Guantanamo-style, Invisible, and deniable torture chambers.

They then take the same, exact model and apply it internally to our brains.

This is serious stuff and growing in scope. Massive war crimes. Extreme sadism.

I have experienced it all.

## Judeo-Masonic Luciferian Agenda

Intelligence and Military Intelligence and the most powerful secret societies behind them have turned the planet into a sophisticated simulation and control grid with predictive capability. Their goal has always been to enslave ALL life — both internally and externally — on a macro level, a micro level, and everything in between. The masses of this world, to them, are on this earth to serve them and nothing more.

The military and Freemasonry — which at the higher levels are one and the same — are ideologically aligned with the Judaic and Masonic Illuminati and their deranged perspective of humanity. They operate in a hierarchy where those below never question those above. It's set up in that way to provide built-in protection for their depravity and criminal ways and to keep the truly good and humane from ever rising to the top.

Evil to these people is a valued commodity and one of their most often used tools of control. They have successfully turned the world into a persistent fear-based and trauma-based experience that is designed to intimidate and degrade the individual and one's natural and free existence.

Even the toughest rarely go up against them because of their overwhelming material power coupled with centuries of psychological conditioning to instill the false belief that we are incapable of doing anything that will legitimately affect change.

The “revolts” or “rebellions” that do form are rarely if ever organic. They are managed by the same power and crafted with predetermined outcomes that benefit them and no one else.

This further adds to the deflation of the human spirit, which is the point. They want the world to hit rock bottom. The propagandized, MK-Ultra media is used to drill these ideas deep into one’s psyche.

They are dark psychologists and sadists who have refined techniques of deception over thousands of years.

They view the world through a cold lens, where the means justifies the end, regardless of how inhumane and malevolent. Life, to them, is expendable. The group, the collective, takes precedence. Always.

These tyrants have exacted near incalculable amounts of pain and suffering on this planet, all the while spewing out propaganda and lies that cover up and deny this truth.

It’s a Satanic and destructive power structure hellbent on preserving its own and destroying everyone else in the process, especially those it deems most threatening to its everlasting dominion.

For those who do see beyond the deceptions, the outlook is meant to look grim. Evil always heightens and magnifies itself, which in actuality belies its true weakness.

In the end, they will fall.

### **MK-Ultra Longform Profiling and Programming**

This book collection proves to me that the make-believe, super-terrorist creation known as Osama Bin Laden was clearly aware of the CIA’s shady involvement in his life. He was most definitely an MK-Ultra asset, most likely unwilling and highly intelligent. Could have been blackmailed or bribed to guarantee cooperation with the propagandized 9-11 narrative. They have tried to do the same thing to me and I have undermined their programming and refused to go along with any of the upcoming world stage nonsense and fakery. Instead, I am exposing it and receiving death threats and a daily dose of torture.

No mistake either that I met someone not long ago who claimed to know Bin Laden personally. She’s a Jewish TI who apparently comes from Illuminati roots. Further profiling that I quickly nipped in the bud.

The books he was reading, if this is indeed his actual library in the compound, show that he was highly aware of the corruptions and conspiracies that drive the world and that were surrounding him. I invested in many of the same books since this began in order to try and understand exactly what was going on in my life and how it connected to world events.

It’s obvious this is a kind of prepackaged profiling script for these intel goons. CIA and Mossad fingerprints all over the operation that formed around me in the last few years. Very subversive tactics to try and profile me, blackmail me, bribe me, mind control me, and coercively persuade me to “cooperate” and do things against my will while under extreme duress from extreme marginalization, isolation, torture, and trauma. All deeply criminal. All grossly illegal.

And a number of the highly visible people within the TI “community” are involved. They are agents and handlers and

I have firsthand experience of their manipulative ways.

The uppermost Jews and Masons like to profile and frame people of Middle Eastern descent. We're the latest and greatest manufactured enemy.

The Bin Ladens are worth billions and were internationally known among the world's wealthy long before Osama was "discovered." My family overseas personally knows the Bin Laden family. Some of my family most likely had a hand in putting me in this lifelong MK-Ultra program. Did they do the same thing to Osama? I don't put anything past anyone anymore. The level of evil and depravity I've experienced in the last few years changes a man.

Whatever the case, it's obvious that the Jewish and Masonic CIA and Mossad get their hands dirty in every one's business, including those in the Middle East.

They hijack and destroy people's lives as a rule. They are criminals.

## TI PsyOp

This entire targeting experience is a CIA CointelPro operation that was mapped out long before our targeting went overt. All the skills, handlers, and programmers were in place and ready to go before we had any idea what a "Targeted Individual" was.

Fake fights and polarization, manufactured dissension, contrived behavior, psychological subversions, perpetual smoke and mirrors, ad nauseum, are tricks of the trade.

The Masons create polarity and manage it. This philosophy defines how they control opposition and hijack the dialectic.

A lot of visible TIs pretending to argue or even hate each other, then collude or buddy up in the shadows. Masonic signaling is rampant in the targeting "community."

The contrived psych warfare theater that we all experience in public certainly doesn't stop when we meet other alleged targets.

It's just another phase of their pathetic intel games.

### Frauds and Cons

These megachurch preachers are Masonic frauds and cons, most likely programmed (and/or blackmailed) to deceive from the outset.

### Tavistock Connections

I am clearly connected to the Tavistock Institute as well as Stanford (Stanford Research Institute is a big CIA front for Mind Control experimentation) and pretty much everything in between. Two of my cousins went to Stanford and an uncle made some philanthropic donations to its School of Medicine. I was encouraged to apply for graduate school in my early twenties but chose to teach inner city high school instead. Later, I gained a big client for my IT business, a client that I ended up working for almost exclusively. The owner of that law firm, a very successful lawyer in Los Angeles, attended University of Michigan Law School. University of Michigan is considered a sister organization to Tavistock.

### TVs Are for Programming

Television was the first electromagnetically-based mass programming tool. Now remote electromagnetic technology tapping directly into the brains of people all over the world is taking its place covertly but it remains a primary tool for managing mass psyche and perception of reality.

### World Stage Players

All politicians and world leaders are blackmailed, compromised, and programmed. This is why they promise everything and deliver nothing. Their job is to feign progress while pushing agenda. To keep people caught up in smoke and mirrors and manufactured drama. Trump is no exception. Assange is just another aspect of the dialectic. They are ALL players.

These people are propped up to be used as anchors for the masses. Once you invest in these figureheads, they will then direct your belief system and move you into directions that benefit the agenda. This is the Illuminati system, and it is how they manipulate world populations like mindless cattle.

None of them stand for people. They serve themselves and their Cabal. They lie and deceive as a rule.

Understanding their true nature destroys their power.

## **2016-2021 Social Media Posts**

Beyond the posts on this website, I was doing social media activism going back to 2016 to spread awareness of targeting crimes and everything related to what I had experienced.

These are the links to compiled PDFs of those years:
